Tax Rate Jump Held Inevitable For Next Year

Early Building Plans For County Hospital Also Revealed

San Mateo county's next tax rate must inevitably be higher than the 81-cent basic levy enjoyed during the past year.

The reason is that last summer when the present rate was set, "forgotten" funds were utilized. This year, the funds having been used, they will not be available again.

That was the warning sounded by Supervisor Fred E. Beer at a meeting of San Mateo county publishers Tuesday night.

UNDERSTANDING ASKED

At the first gathering of its kind ever held in San Mateo county, in which newspapermen were hosts to the five county supervisors, Beer asked for indulgence of county citizens and for their understanding that the tax levy must of necessity be higher though expenses are little if any greater.

"The lowest rate in the history of the county was made possible by the use of old funds, including, for example, the old courthouse fund held from 1907," Beer stated.

"Last year all these funds were lumped together and thrown in to reduce the tax rate. Having done this last year, we can't look forward to doing it this year."

'MUST GO UP'

As a result, Beer explained, even if the cost of government should not increase even a dollar over last year's, the rate must go up to compensate for the funds found in the controller's office last summer. Some $300,000 of such funds were used, enabling an approximate 30-cent cut in the tax rate over what it would have been without their use.

"We don't know what the rate is to be," Beer added. "But we do know that the tax rate must go up next year."

Beer predicted that even the cost of government would be greater because population, with consequent demands upon the county's government, was increasing constantly.

BUILDING PROGRAM SEEN

"Year by year the amount to be raised must be greater," he declared. "The cost of government is determined in major part by the number of people who submit to the government."

The San Carlos supervisor revealed that a building program for the hospital, particularly to care for tuberculosis patients, was inevitable sooner or later.

BIGAMIST WINS PROBATION

Fred Holder of San Francisco, a former San Matean, won two years probation here on Monday as his sentence by Judge Maxwell McNutt on a charge of bigamy. Mrs. Emile E. Holder of Los Angeles had charged that when the couple married April 7, 1935, in San Mateo, Holder was already married to Mrs. Alice Holder.

FORD V-8 POINTS TO SPRING!

Again the Ford V-8 heads the field by presenting the new Spring model convertible coupe. The coupe shown here is being demonstrated to vocalist Lois Clark by Paul Pendarvis, whose orchestra is featured nightly in the Rose Room Bowl of San Francisco's Palace Hotel, and the Ford is on display in the showrooms of all Ford dealer establishments.

Oakdale Fete This Week-End Big Attraction

Spring will have a more-than-official opening in Oakdale, California, this year when the eleventh annual Almond Blossom Festival opens March 6 for two days of celebration planned to attract thousands of motorists to Stanislaus county.

Sponsored by the Oakdale Chamber of Commerce, the festival is given over to a program of sports, music, talks and fireworks, to be climaxed with the crowning of a Festival Queen.

Since this annual celebration, one of the first ever given in California, becomes a two-day mecca for motorists from this and surrounding states, the Ford dealers of San Francisco sent representatives on a scouting trip of the roads in a 1937 convertible Ford V-8.

Lying in the center of rich dairying, stock, fruit and nut section in the heart of an irrigation district, Oakdale is the principal supply point for Yosemite, the Tioga country and High Sierra.

The athletic festival planned for Saturday will open the fete with a novel English obstacle race patterned on one run recently by famous athletes and town boys at Glasgow, Scotland, before 60,000 spectators. A cup is awarded the winner and medals presented to the second and third.

Saturday will be clibaxed with a fireworks program and the Grand Festival Ball.

Sunday's band concert will be in the Bechis orchard, two miles west of Oakdale on the Modesto highway, in the center of the almond section. The road will be well marked for festival motorists. Surrounded by almond blossoms, the queen will be crowned in the orchard, and the address of the day given there.

Ample free parking space for all cars is assured at the orchard and other festival event points.

TWO WOUNDED IN WEEK-END GUN AFFAIRS

Coastside Man, Woman Injured in Separate Gun 'Accidents'

Two San Mateo county residents who fell victims to shootings over the week-end were apparently well on the road to recovery today while the sheriff's office conducted investigations into the affairs.

Brought into Mills Memorial Hospital at 6 p.m. Sunday, Miss Nellie Hall, 41, of Box 235, Sharp Park, was found to be suffering from superficial flesh wounds in the side.

After treatment overnight, she told Deputy Sheriff Belton Rhodes this morning that she incurred the wound when she knocked over a shotgun with a broom while sweeping in her home, and the gun went off. The weapon had been standing in a corner, she told the officer.

Though the sheriff's office had not questioned him, Herman Herzog, who said he lived at the soft drinks tavern owned by the wounded woman, said she was known in Sharp Park as "Two-Gun Nell," because she always had guns in her house.

He said he had returned to the place after fishing and found her lying in the doorway.

The other person injured was Peter Pavlos, 48, Rockaway Beach WPA worker. He was treated Sunday afternoon at Community Hospital. San Mateo, for a laceration on the right side of his lower lip.

Pavlos told Deputy Rhodes, who was summoned by a telephone call, that he had engaged in an altercation about which he remembered little late Saturday night with eight or 10 men who had been drinking. He said the last he recalls was that he was on the ground when he saw a flash. Hours later, regaining consciousness, he put his hand to his face to find that he was covered with blood. Rhodes said Pavlos told him the group had been drinking. The wounded man failed to implicate any of the others, according to Rhodes, who was continuing his investigation of the affray.

The word "academy" is derived from the olive grove of Academe, where Plato, and Greek philosopher, retired.

BEAUTIFICATION MEANS FOR CITY CONSIDERED

Reviving the lagging local clean-up campaign, the Redwood City City Council stood emphatically on record today as authorizing Building Inspector I. C. Drathman to abate unsightly sheds, with legal compulsion looming for those property owner not willing to cooperate.

This problem of doing away with the "six to 12 exagerated cases," in the words of Mayor Paul McCarthy, was taken up as one of several phases of city beautification and improvement treated by the city council at its slightly over two-hour session Monday night.

Impetus to the cleanup movement was given by Councilman Evans A. Fletcher, who said, "The cleanup campaign initiated six months ago has been a farce.

LEGAL MEANS THREATENED

"If we have to use legal means to get rid of some of these shacks, let us adopt such means."

Upon the report of the building inspector that a complete list of unsightly and useless buildings in Redwood City had but recently been completed, Drathman was authorized to abate what nuisances he could, referring back to the council those cases in which he received no cooperation.

Tree planting, sidewalk improvement and weed abatements were other matters before the council.

VETERANS SET PLANTING

J. W. Dean, chairman of the local Veterans of Foreign Wars committee on fire prevention and conservation, notified the council that the veterans planned to donate 12 redwood trees to the city this year and "possibly more next year."

With the motion being made by Councilman Fletcher, seconded by Councilman James M. Eva, the offer of the veterans was accepted by unanimous vote. Dean suggested that a tree dedication ceremony be held, with the date being set tentatively for March 21.

The councilmen foresaw that the veteran's donation might lead to a later tree planting program along El Camino Real.

ASK NEW SIDEWALKS

In connection with sidewalk improvement, the council decided to request the Sequoia high school board of trustees to set aside funds in their next year's budget for installation of sidewalks on the northerly side of James avenue, between El Camino Real and Elwood.

The council also decided to inquire of the trustees what action they intend to take for removing or remodeling the fence around the school, particularly on Brewster and Broadway sides.

Councilman Fletcher criticized the lack of sidewalks on the north side of James avenue, Elwood to Myrtle.

"For the safety of the McKinley school children, there should be sidewalks there," Fletcher said.

NEW GARBAGE CONTRACT

Mayor McCarthy directed the city clerk to send letters to property owners, asking that sidewalks be put in along this street. A similar procedure was suggested for the east side of Middlefield road, between Main street and Broadway.

Councilmen Robert Jones and George W. McNulty were named by the mayor to act with Acting City Manager C. L. Dimmitt in securing a new garbage contract for the city. The present contract expires at the end of the year.

A report of Dimmitt was read, recommending against municipal garbage collection, since this would involve an initial outlay of approximately $10,000.

Weed abatement this spring and summer will be conducted as it was last year, with the city posting notices to clean off weeds and then doing the job at the property owners' expense, where the notices are not complied with. City Attorney Albert Mansfield will prepare a resolution setting up the procedure.

TERMITE CONTROL GROUP

Julius Smith, local real estate man, Councilman Fletcher and Dimmitt were appointed by Mayor McCarthy to a termite control committee.

Referred to Dimmitt and City Electrician M. E. Ryan was the protest of Mrs. A. Nelson on illegal garbage dumping, parking and poor street lighting on Beech street, between Spring and Hilton streets.

Naming of successors to the late John Gill on the city planning commission and library board was continued to March 15 to permit the councilmen to submit nominees to City Clerk B. E. Myers, who in turn will forward lists of the candidates to the councilmen.

Councilman George McNulty was delegated to draw up a resolution expressing the council's regret over the loss of Gill, city school superintendent who passed away suddenly last week, from the planning body and library board.

LIQUOR LAW DELAYED

Mayor McCarthy asked the councilmen to lend their support to securing a good crowd for the WPA symphony concert tonight at 8 o'clock at Sequoia high school auditorium.

If there is good attendance, the mayor said, there will be prospects of open air concerts being given in the spring and summer at Emerald Lake Bowl.

City Atty. Albert Mansfield reported that he had not drawn up a suggested ordinance setting the closing hour for liquor establishments at 2 a.m. because the state board had assumed control of enforcing closing regulations.

Manager Dimmitt was granted continuance on the council's request for a report on the city's storm drainage facilities. He asked the postponement to permit further study of a construction program which he wished to recommend.

NEW SCALE FOR PAINTERS

The application of H. H. Weiner for the vacancy on the city planning commission was submitted.

K. C. Sanders, secretary of the local painter's union, notified the council of corrections in the scale for painters in this county.

Appreciation of the city library board was expressed to the council and to Dimmitt for the work of the city's crews in averting flood waters from the library and "preventing costly damage."

Stewart Copp, secretary of the Highlands District Improvement, Club, expressed the club's thanks to the council for having representatives at the recent railroad commission hearing on the Emerald Lake bus system.

Chrysler cuts its 13th Birthday Cake! March marks the 13th year of Chryler's phenomenal growth from a few thousand automobiles in 1924 to the second largest manufacturer in the world. Dearborn Motors, Chrysler-Plymouth dealer here, is celebrating the occasion with a mammoth selling event destined to break all previous sales records.

S. F. Asks County To Enter 'Queen' In Bridge Fete

San Mateo county, looked to for its beautiful girls in queen contests since the floral fiesta last year drew such an array of beauties, was called upon today to offer candidates for the queenship of the Golden Gate.

The call went out from San Francisco, where Eric Cullenward, general manager of the Golden Gate Bridge Fiesta to be held from May 27 to June 2, announced plans for a queen contest to be conducted by popular voting in San Francisco and bay counties.

A queen is to be selected in each county and the candidate receiving the highest vote in any of the counties will be designated as the Queen of the Golden Gate and crowned with the others at a brilliant coronation ball attended by dignataries from at home and abroad.

"The queens from outside counties will be brought to San Francisco and will have all expenses paid during the Fiesta. In addition, they will be the guests of all Fiesta functions."

Lamb Sale Saves Ranchmen From Financial Loss

Farmers and ranchmen feeding lambs for market were saved from heavy financial losses in January as a result of the mid-winter lamb sale sponsored by the National Association of Food Chains, according to a report received here by Lew Cook of Safeway Stores. The information was contained in a bulletin from P. O. Wilson, manager of the National Livestock Market Association, who expressed the gratification of all sheep growers over results obtained in disposing of the large seasonal surplus of feeder lambs. A tremendous increase in lamb consumption was shown by the preliminary reports from 37,000 food chain stores participating in the campaign. Some companies reported increases in sales from 50 to 300 per cent above normal.

Wilson in reporting on the present status of the National Lamb Sale said, "There is evidence of considerable improvement in consumer demand, and the advance in prices has prevented heavy losses on the part of feeders. This improvement in the lamb market has been in the face of increased receipts for major markets and abnormally large supplies following almost record lamb slaughter during December, thus indicated an important stronger-demand outlet on the part of consumers. This improved outlet is also in the face of unseasonable warm weather in the major consuming areas of the East.

"When one meat product is out of line with other meats, it is particularly important that the consumer have an opportunity to take advantage of relatively low prices. At the same time the producer will benefit by broader demand outlet and a more favorable market. While orderly production and marketing is desired on the part of the livestock industry, we are glad to know that many of these emergencies can be corrected by bringing them to the attention of the consumer. This close co-ordination between the producer of livestock and distributor is greatly appreciated."

J. R. Marshal, secretary of the National Wool Growers' Association, also was quoted in the bulletin as saying: "We are certainly gratified at the response that has been made in the lamb markets to the stimulation of the Nation-Wide Mid-Winter Lamb Sale. The market prices have responded to an extent which, if continued, will probably mean some margin of profit to feed-lot operators instead of the heavy loss which was being incurred on shipments sold prior to the announcement of the sale."

The National Association of Food Chains also reports that the mid-winter campaign has resulted in the selling of lamb where lamb hasn't sold before.

ASK WEED ABATEMENT

Establishment of a weed abatement district in the Emerald Lake section was asked today of the board of supervisors in a petition filed at the county courthouse by the Highlands District Improvement Club.

County Drops Plan to Seek Subway Link

New 5-Point Proposal Held More Feasible For Peninsula

Peninsula rapid transit efforts will be concentrated in the future on improving Third street traffic conditions and speeding up street car connections between Third and Townsend depot and the San Francisco downtown district.

The board of supervisors, at a meeting which lasted only an hour, one of their shortest sessions to date, went on record Monday as officially favoring the new plan.

Supervisor Fred Beer said the board's unanimous action shelved the "Plan X" proposal, which projected inclusion of a subway or elevated link between Third and Townsend station and any rapid transit setup adopted by the Bay City.

PLACE OF HONOR GIVEN TATTERED FLAG

A tattered flag of the old Grand Army of the Republic post of Redwood City will soon rest in a display cabinet in the rotunda of the courthouse. That such disposition be made of the flag was approved by the supervisors Monday after the suggestion had been made by Mrs. Alice Mansfield heading a delegation from the local Gen. George S. Evans Relief Corps. The flag, dating from 1887, was donated to the Civil War post by Mrs. Leland Stanford.

BRIDGE FALL SUIT FILED

The parents of Gustaf Frederick Dummatzen Jr., former San Mateo high school athlete who died with nine other workers when a scaffolding collapsed on the Golden Gate Bridge, have filed suit in San Francisco for $100,000 damages. Named as defendants were Joseph B. Strauss, chief engineer, and Russell Cone, chief inspector.

R. C. Teachers Figure On Principals' Program

Mrs. Lauretta Paulsen, principal of McKinley Intermediate School in Redwood City, will be in charge of music for a meeting of the Elementary Principals' Association of San Mateo County, to be held March 9 at Jackson's in Burlingame.

Mrs. Paulsen has arranged a program that will include vocal solos by Mrs. Ben Leese of Redwood City, accompanied at the piano by Miss Ida Larson, McKinley teacher.

Mrs. Paulsen is vice president of the principals' association. President is George White, principal of the McKinley School in Burlingame; and secretary-treasurer is Miss Claire Bolei, principal of Freemont School in Menlo Park.

A guest speaker who will talk on San Quentin is expected at the March 9 meeting.

AUDITOR'S HEARING SET

SAN MATEO, Mar. 2—Denied a motion to dismiss charges of negligent homicide and manslaughter, Municipal Judge Arthur H. Stetson of San Mateo has set Friday for the preliminary hearing of Cleve Hower, Burlingame, auditor for the state board of equalization.

There is nothing new in the college boy's hatless vogue. The Romans did not usually wear hats while walking on the streets of the city.

MENLO PARK NEWS NOTES

The nuns of Corpus Christi Monastery are occupying their new building, a wing of the main structure. It consists of a dining room and kitchen.

On February 26 at the Palo Alto Hospital a baby girl was born to Mr. and Mrs. Jones, formerly Eileen Maloney. The grandfather, Harry Maloney, head of the athletic department of Stanford University, is very proud of the little miss.

Miss Carmel O'Keefe entertained a party of friends at the Mark Hopkins last Friday evening. After the dinner the group enjoyed the concert at the municipal auditorium. They were disappointed in not hearing Grace Moore, who was to have appeared on the program but was prevented from doing so by illness.

Mrs. James T. O'Keefe returned from Arizona this week after spending a week with her daughter, Marcella O'Keefe.

William Baird, well-known to all pioneers in Menlo Park, passed away at Palo Alto Monday. For many years he had worked on the Flood estate and later at the J. A. Donohoe property. Baird in his early days was a duck hunter on the local marshes. He was an authority on that sport. He loved to feed quail and other birds, taking a delight in that past time. Baird visited his boyhood home in Toronto, Canada, about every three years. He is survived by his wife, whom he married three years ago when he was 71 years old.

The highest score in whist for many years in Menlo Park was secured by Mrs. J. Ryan at the card party Tuesday evening given by St. Joseph's School. The score was 131.

Mrs. Carroll A. Devol, who recently recovered from a minor operation, had the misfortune to sprain her ankle last week. She is at her home on Santa Cruz avenue.

Mrs. M. Harris entertained the following ladies at a bridge luncheon Tuesday at her home on Park Lane in Atherton: Mesdames Peter Bush, Marie Larrecou, Catherine Derry, James Dewey, A. Burkhart, Isabelle Lindquist, L. Harris and Miss Meta Kugeler.

At the regular meeting of Menlo Park Native Daughters of the Golden West, plans for a whist party were discussed and at the next regular meeting final arrangements will be made.

The committee working on the "Jiggs dinner" which the local unit of the American Legion Auxiliary will serve March 31 promises to have a splendid home-cooked meal.

Mrs. George Angus Jr. of Winchester Drive is in Palo Alto Hospital, where she is convalescing after an operation performed Tuesday.

Mrs. Francis Crosby of Redwood City is in a hospital in Wichita, Kans. While visiting relatives in the East, Mrs. Crosby became ill and was forced to undergo an operation. She will return to her home early in April.

Weeden Brothers have started to erect a new home for Julius Grimidl, whose home on Oak Grove avenue was destroyed by fire last month.

The local Boy Scout troop was host to Las Lomitas troop last Monday night. Refreshments were served.

Principal W. Bower of the local grammar school is still unable to attend to his duties due to a severe attack of "flu."

After a two-month stay in Jamaica, Mr. and Mrs. Stewart Lowery and Mrs. Lowery's son, William Taylor, returned last Friday to their home in Menlo Park.

Samuel H. Cox and his son, Jack Cox of Menlo Park, with Sumner Dodge, are spending a few days in Los Angeles and Santa Monica. The elder Mr. Cox will remain in Palm Springs for a time.

The Rev. Schuyler Pratt of St. Peter's Episcopal Church, Redwood City, presented the third in a series of Lenten talks on "Men That Moved the World" Sunday evening as guest speaker at Trinity Episcopal Church. "The Martyr Saint" was Mr. Pratt's subject.

Carles Boy's Award Reduced to $5000

Harold Raymond Carles, 17-year-old San Mateo high school youth, may receive only $5000 of the $10,000 awarded him by a jury December 17 in superior court here. This was disclosed here Tuesday as his widowed mother, Mrs. Margaret E. Carles, asked permission of Judge Maxwell McNutt to accept this sum as a compromise offer of insurance representatives of Ralph Jan, San Francisco fur salesman and driver of the car which ran down her son.

19 Speeders Fined Here

Nineteen speeders had left $65 in Judge Edward I. McAuliffe's traffic court today, following one of the heaviest series of speeding arrests in several months.

Fifteen of the speed offenders were brought in by highway patrolmen, the rest by city police.

The heaviest penalty of the week, however, went to Charles Archer, 24, San Francisco, who chose to serve 20 days in the county jail rather than pay a $100 fine for drunk driving.

One of the most unusual cases was that of Charles A. Syverson, 43, Ringewood road, Menlo Park, who insisted, according to Patrolman Manfred Walzberg, that he be given a tag for cutting corners and driving on the wrong side of the road. He was fined $5.

PAYS $15 FINE

Topping the list of speeders was Bernard Charles Morrow, San Francisco, fined $15 for driving 75 miles per hour on the Bayshore highway. Others arrested by patrolmen were Weldo J. Marra, Belmont; William Wagner, Santa Cruz; Fred MacFarland of Bakersfield; Laverne Campbell, San Francisco; Bernie Geglan, San Mateo; Everil Hocking, San Jose; Kenneth Shepard, Redwood City; Bernard Jeffrey, Moffett Field; Ralph Cross, Berkeley; Anthony Bargas, Campbell; Charlie Sciuto, San Jose; and R. P. Heiser, Santa Clara, all of whom paid fines of $2.50. Richard Hake, Stanford, and Garrett Starmer, Palo Alto, paid $5 fines for speeding.

An arterial breach cost Joe Verissimo, Palo Alto, $2.50, while the same penalty was assessed Walter Holland for driving with an overcrowded front seat.

Frank R. Hallmeyer, cited by highway patrolmen for failing to stop at an arterial, pleaded not guilty and was acquitted. Judge McAuliffe said he believed there had been a confusion of offenders.

The four speeders cited by local police paid $2.50 fines apiece: Robert E. Doyle, John Martranza, William Weir Jr., and Ellis Ligaspi.

Illegal turning cost George Pryor $1. Overparking in Redwood City brought the following $1 fines: H. Elstner, Mrs. Catherine Griffin, R. L. Wulf, D. Conine, Phillip Cotton, M. E. Ayers, E. A. Wheatley, Vincent Giudo, H. Ramsey, Mabel Owens, H. C. Mitchell, W. L. Cavanaugh and A. E. O'Neil.

Total fines were $88.

BONES FOUND IN BAG

ALAMEDA, Mar. 4 (UP)—Mrs. R. A. Dunbar today opened a paper cement sack in a shed on the rear of the property she rented here and found inside a complete human skeleton. The property is owned by Joseph McGowan of Oakland. Police were unable to locate him for questioning.

LEGAL

Albert A. Molfino, Atty.
NOTICE TO CREDITORS
Dept. 1—No. 7429

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of ALESSANDRO CHIAPPARI, also known as A. CHIAPPARI, Deceased.

Notice is hereby given by the undersigned Alexander Chiappari, Executor of the Last Will and Testament of Alessandro Chiappari, also known as A. Chiappari, deceased, to the creditors of and all persons having claims against the said deceased, to file them, with the necessary vouchers, within six months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California, in and for the County of San Mateo, or present the same, with the necessary vouchers, within six months after the first publication of this notice, to the said Executor at the law offices of Albert A. Molfino in Daly City, County of San Mateo, State of California, attorney for said Executor, the same being the place for the transaction of the business of said estate.

Dated this 9th day of February, A. D. 1937.

ALEXANDER CHIAPPARI,
Executor of the Last Will and Testament of said Decedent.

ALBERT A. MOLFINO,
Attorney for Executor,
Daly City, California.

Feb. 12, 19, 26; Mar. 5, 12, 1937.

Entertainment Program Told

More than 800 fathers and sons are expected to turn out Friday night, when another annual Sequoia Union High School Boys' Night will be staged in the school auditorium and boys' gymnasium at 8 o'clock.

Featured by the finals of the first boxing tournament in Sequoia's history, the program also includes an extensive list of student entertainment features.

The affair, presented with the purpose of bringing the students' fathers into closer contact with their sons' school activities, is under the direction of the Boys' League, Willie Silva, president, and John Dusel, secretary-treasurer.

MUSIC PLANNED

Committee heads include Ted Moudakas, auditorium; William Grant, gymnasium; James Needham, refreshments, and Wilbur Warren, guests.

Lined up for the auditorium show, according to Moudakas, are Charlie Mish and his 15-piece dance orchestra; the Bass Clefs, singing "Chapel in the Moonlight," under direction of Otis M. Carrington; Dick Russell and his Sequoia Hill-Billies; Joe Biatto and his accordian, and vocals by Bob Hendricks and Moudakas.

The welcoming speech will be made by President Silva.

Following the auditorium events, seven junior and nine senior boxing bouts will be the feature of an athletic display at the gymnasium. Refreshments will follow.

The Boys' League is an organization of all the boy students in the school, with officers elected by popular vote. Construction of a boys' clubroom in the present gymnasium apparatus room is contemplated. The league donated a large share of the funds that helped build the new boxing ring, which will receive its first public tryout during the fight finals.

Longtime Resident Of San Carlos Dies

SAN CARLOS, Mar. 1—A resident of San Carlos for the past 23 years, Adolph Paulsen, 84, well driller, passed away at his home, 408 Elm street, over the week-end.

The fresh-water dolphin of the Ganges, called susu, is blind.

How much for this roomy berth to LOS ANGELES?

THE ANSWER IS..$1.50

That's all it costs for a TOURIST LOWER BERTH from here to Los Angeles. You go to bed here—you wake up in Los Angeles. No time wasted when you let the engineer drive you over smooth steel rails.

LOS ANGELES
$8.94 ONE WAY $14.00 ROUNDTRIP

These fares good in tourist sleeping cars, plus berth charge shown above. Also good in restful coaches and chair cars on our overnight and day trains.

35-FOOT FALL PROVES FATAL TO GRAVANCE

Policeman's Brother, Son of Pioneers, Dies of Hurts

Desperate efforts of physicians to save John Gravance after he fell 35 feet to a concrete driveway at the San Mateo Feed and Fuel Company plant Friday failed Monday night when he passed away at Mills Memorial Hospital.

Two transfusions of blood, with brothers as donees, were given the San Mateo workman, who was the brother of Policeman Joe Gravance of San Carlos and son of Half Moon Bay pioneers.

Gravance, who was 46 and the father of two boys, aged 5 and 6, was working on top of a bunker—huge elevated bin in which is kept sand and gravel for loading onto trucks—pulling a boom when something gave way and fell onto the plank on which he was standing, relatives said. The impact knocked Gravance off his perilous perch and he plunged to the concrete driveway.

Although rendered unconscious by the fall, which resulted in his suffering concussion of the brain, internal injuries and several broken bones, Gravance lived from the time of the accident at 9 a.m. Friday until 8:15 o'clock last night. Joe and Manuel Gravance had each given blood for transfusions, and at one time, on Saturday, he appeared to be rallying, but yesterday sank rapidly until he passed away.

Gravance had lived in San Mateo for the past two years, residing with his wife, Esther, and sons at 1238 Edinburgh street. Previous to that time he farmed near Mountain View.

His parents are Mr. and Mrs. J. S. Gravance, residents of Half Moon Bay for half a century. A brother, Antone, of Half Moon Bay, employed on the San Mateo-Hayward bridge, and five sisters also survive. They are Mamie Pimental, San Gregorio; Rose Cross and Emily Crossfield, San Francisco; Isabel Gantner, Oakland, and Phyllis Cunha, Oakland.

Funeral services are being arranged by the George W. Sneider & Company parlors, San Mateo.

3½-Year-Old Charge Finally Catches Autoist

BURLINGAME, Mar. 2. — A speeding ticket he received three and a half years ago today resulted in Peter Mabanag being fined $10 by Police Judge R. L. Stone.

The citation was issued August 29, 1933. Mabanag was scheduled to report to Stanley Keily, now county purchasing agent but at that time police judge.

After Mabanag failed to appear, Kelly attempted to trace him. Failing, he filed a notice with the state motor vehicle department.

When Mabanag applied for new license plates recently, he was confronted with the old charge.

In court this morning he said he had forgotten all about it.

MESSENGER BOYS STRIKE

CHICAGO, Mar. 4 (AP)—Western Union and Postal Telegraph Company messenger boys walked out of loop offices today on strike for higher pay and shorter hours.

'T. B.' Society Renames Head

New officers of the San Mateo Association for Prevention of Tuberculosis were headed today by Mrs. Harry S. Dana, re-elected president.

At the annual meeting, held over the week-end at the Benjamin Franklin Hotel, San Mateo, a financial report disclosed that the year's receipts for 1936 were $1184 less than the expenditures, $11,820.

Other officers for the coming year are:

J. C. Nowell, San Mateo, first vice president; George Arthur, San Mateo, second vice president; Mrs. C. W. Martin, San Mateo, treasurer, and Mrs. Charles Foster, San Mateo, secretary.

Directors re-elected for three years were:

Frank Burrows, Burlingame; Mrs. Hillyer Brown, Burlingame; Mrs. Barnaby Conrad, San Mateo; Mrs. Charles Foster, San Mateo; Mrs. Robert Hooker, San Mateo; Mrs. H. Kempf, Lawndale; R. C. Lane San Mateo; Mrs. Maurice Liebmann, San Mateo; Henry Maier, Burlingame; J. E. Morrish, Redwood City; Rev. M. R. Power, Burlingame, and Mrs. Frank Schwabacher, San Mateo.

Mrs. Frank Kennedy, Hillsborough, was elected as a new member to the board of directors.

Oratory Event Set March 29

Date for the high school oratorical contest to be staged by the Toastmasters Club stood scheduled today as March 29, with four Sequoia finalists scheduled to give seven-minute speeches. Critics will be Harvey Hall, local Toastmasters' critic, and the critic of the Burlingame-San Mateo unit and a Stanford professor.

Louis Dematteis will serve as chairman of the program. The speeches will be judged 30 per cent for delivery, 30 per cent for organization and 40 per cent for general effectiveness. B. E. Myers heads the contest committee.

Livestock Pavilion Bill Given Impetus

BAYSHORE CITY, March 3.—Withdrawal of a competing bill in the state legislature gave virtual assurance today that additional funds will be available soon for the rapid completion of the Visitacion Valley livestock pavilion of Agricultural District A-1.

The bill withdrawn by Golden Gate International Exposition officials asked $250,000 from the state pari-mutuel funds to be applied to exposition building construction.

The withdrawal leaves a clear field to assembly bill No. 152, in which the agricultural district seeks an immediate appropriation of $500,000.

One hundred Fascists, including two women, will contest seats for the House of Commons at Britain's next general election.

POISONING KILLS GIRL

WALNUT CREEK, Mar. 4 (IP)—An 18-year-old girl was dead and eight members of her family were ill after eating what County Health Officer W. A. Powell said was spoiled canned salmon. The dead girl is Flora Kilgore, who arrived recently from Oklahoma. Those stricken were members of her family.

Advertising is not broadcast by radio stations in Russia.

Two counties in Illinois and one in Missouri produce most of the horseradish used in America.

Mass weddings, becoming popular all over China, are held every three months in Peiping.

A MERRY-GO-ROUND OF COMEDY COMES HERE

The players who set the laughs whirling in Universal's comedy, "Three Smart Girls," are, top row, Barbara Read, Deanna Durbin and Nan Grey. Lower row, John King, Binnie Barnes, Charles Winninger, Alice Brady, Ray Milland and Mischa Auer. Completing the double bill, which opens a two-day engagement at the Sequoia Theatre today, is Albert Payson Terhune's "The Mighty Treve" with Noah Berry Jr. and Barbara Read.

Steffen Wins Mercy On Car Death Charge

Two years probation, with credit given for 60 days he has served in the county jail, was accorded Mack Steffen, 26, Palo Alto dairyman, when he appeared here on Monday before Superior Judge Maxwell McNutt for sentence on a negligent homicide charge. The charge grew out of the January 2 death in South San Francisco of Mrs. Frances Gustafson, 54, San Francisco, killed in a headon crash between machines driven by her husband and Steffen. Steffen was speeding 55 miles an hour through a 25-mile zone, according to testimony.

Brazil has approximately $226,143,600 paper money currently in circulation.

Only $388 in State Aid for County Blind

Of the $160,729 which went to 4542 blind persons in California as state aid during January, only $388 went to residents of San Mateo county, figures released by Mrs. Florence L. Turner, social welfare director, disclosed today. Payments averaged $35.39.

The greatest number of cases were listed in Los Angeles county, where 2460 persons received a total of $87,535. Santa Clara residents received $3491; Santa Cruz, $727.

Tarkio (Mo.) college has been granted a $7,173 WPA appropriation for a new athletic field.

One of the contributors to the Red Cross flood relief fund was F. T. Flood of Warren Pa.

YOUNG PILOT CHEATS DEATH IN AIR CRASH

Plane Catches Wires At San Carlos Airport

Only a scratch over his eye was carried today by Charles Burkhardt, 25-year-old Lomita Park carpenter and student pilot, as the result of an airplane crash which occurred shortly after 3 o'clock Sunday afternoon at the recently reopened San Carlos Airport.

Even the small, one-place red Buhl monoplane Burkhardt was attempting to land when the crash came was not damaged beyond repair, he reported. Burkhardt had purchased the plane only Saturday and was up for a trial spin.

Burkhardt said he was trying to land eastward at the port, where he keeps his plane, when suddenly a power line loomed in front of him and he realized he had "overshot" the field. The 45 horse power Szekley motor was not strong enough to lift the plane in time to avoid the wires and the landing gear and one wing caught in them, ripping five from the 44-foot poles and causing the plane to pancake to a landing.

Passing motorists who witnessed the accident, rushed over to aid Burkhardt but he crawled from the ship apparently unhurt except for the scratch, later helping in getting the plane into its hangar. Declining medical attention, the carpenter drove home after the crowds which had gathered, creating a traffic jam on El Camino Real and the Old County Road, had dispersed.

Power in the area was out for some time while Pacific Gas and Electric Company workmen repaired the breaks. Officer Joe Gravance of the San Carlos Police Department investigated and supervised direction of traffic.

Anagrams were known to the Greeks and the Romans and became popular throughout Europe in the middle ages.

Blossom Season Here Postponed By Bad Weather

Because of the cold weather, blossom time on the peninsula will be unusually late this season. Prunes will probably bloom two weeks later than the average date, March 24.

Because the bloom is late, however, does not mean a delayed harvest, Santa Clara County Agricultural Commissioner L. R. Cody pointed out today. Uniform blooming brought on by warm weather now will probably mean a normal harvest.

Ranchers in Santa Clara valley report the almond and apricot trees ready to burst into full bloom with the first warm days. They are already about a week later than the usual blooming time.

NEW SEA DISPUTE FEARED

SAN FRANCISCO, Mar. 4 (IP)—A new dispute threatened shipping in San Francisco harbor today when the Waterfront Employers Association issued an ultimatum to the local unit of the International Longshoremen's Association demanding that it provide a gang to unload cargo from the steamer Rochlie, tied up here by a union jurisidictional dispute.

RHEUMATIC SUFFERERS!

RHEUMATIC pain has crippled more people than ALL THE WARS OF HISTORY. This terrifying disease strikes down the young and old alike. It makes your home a torture-chamber—and your life a FAILURE!

BUT AT LAST THERE IS A MEDICINE THAT ACTUALLY DOES RELIEVE THAT TERRIBLE PAIN! Read carefully every single word, for it may be the most important—most valuable thing you ever read in your entire life!

A Personal Message to Every Man and Woman in Redwood City or San Carlos Who Suffers From the Terrible Agony of Rheumatism—Arthritis Neuralgia—Neuritis!

A Doctor's Discovery

Eighteen years ago—during the ravages of the World War—an Army Doctor saw for himself the wretched, hopeless misery caused by rheumatism. He saw arms and legs maimed—lives wrecked—just as surely as if they had been struck with shells. He consecrated himself to this problem with every ounce of his strength.

At last—to his inexpressible joy—he found a formula that attacked and relieved the pains from the inside. This formula is called Williams' R.U.X. Compound.

URIC ACID (the same foul, excrementitious substance you pass off through your kidneys forms SHARP, JAGGED CRYSTALS right in the muscles of rheumatic victims. Whenever you move, these crystals press against your raw flesh! He found you must reach the CAUSE of your pain — not just the SYMPTOMS. This great formula acts from the INSIDE, through the blood stream!

Pay No Money for Medicine

If a man has FAITH in his product, he backs it with CASH—not just with PROMISES. Here is ONE medicine that doesn't ask for ONE SINGLE PENNY of your money unless you get RESULTS!

No BALLYHOO is needed for this medicine. Its cash guarantee speaks for itself. Its thousands of grateful users tell their own story.

If you are suffering from the agony of rheumatism, arthritis, neuralgia, neuritis—if your life is now a FAILURE through sickness and pain—you owe it to yourself and your family to try this great scientific discovery. You aren't asked to risk one cent of your money! Could greater proof POSSIBLY BE GIVEN of what it will do for you?

Williams' R.U.X. Compound is sold all over the United States. In Redwood City, go to Young Drug Co. and San Carlos Drug Co.—TODAY—and ask for a bottle of this famous medicine on the CASH GUARANTEE. It brings POSITIVE RELIEF within ten days—or every cent of the purchase price will be refunded instantly and without question. You will be the judge yourself!

Young Immigrant Fails to Win Train Crash Orphans' Custody

Nina Kusnetsoff, 29, actress, dancer and dressmaker who came to America to make a home for the orphaned daughters of her Redwood City sister, Monday lost the first round of her court fight to obtain custody of Olga and Leanna Boellaard.

Following a hearing at which ill-feeling between the principals in the guardianship dispute was obvious, Superior Judge A. R. Cotton decided to leave the children with Mr. and Mrs. Alexander Ivars for the present, with Miss Kusnetsoff being awarded the right to have the children one day a week.

"I would like to see this young lady a little more firmly established," Judge Cotton declared, after hearing the brown-haired, pretty little Russian woman testify that she had a contract as buyer for a Russian clothing store in Kobe, Japan, and expected to earn more than $1000 yearly.

Mrs. Ivars, who with her husband was granted custody of the children by order of Judge Cotton early last month, and Miss Kusnetsoff glared at each other during the hearing.

Judge Cotton continued the case four weeks to give Miss Kusnetsoff a better chance to "prove her earning capacity."

Miss Kusnetsoff and her mother have leased a home at 920 Stambaugh street, Redwood City.

The Boellaard girls' mother and father, Mr. and Mrs. John Boellaard, were killed here July 16 last year in a grade crossing accident.

Flying Club Formed At San Carlos Port

The formation of a flying club at San Carlos airport was announced today by Peter Manaserro, organizer.

Advertising "reasonable rates," Manaserro said his club was formed to teach members how to fly. Several local residents have indicated intention of joining, he reported, but more are welcome.

A course in mechanical training is already underway at the airport, headed by C. E. Manhart. Manhart pointed out the need for trained engineering help, and said that his course was designed to help correct the shortage in good airfield mechanics.

Morals Count Brings Penitentiary Term

The third man in two weeks to be sentenced to San Quentin prison from San Mateo county, Ellsworth Chiapetto, San Francisco bartender and janitor, today faces a term of from one to 15 years.

Chiapetto, charged with a morals offense involving four Redwood City boys, was denied probation by Judge Maxwell McNutt here on Monday and heard himself sentenced to the Marin county penitentiary for the "term prescribed by law." The prison board will determine the length of sentence.

Two weeks ago Ray Lagomarsino, for escape from the county jail, was sentenced by Judge McNutt to a one to 10 year term in the prison, while Hiel Sanchez drew a one to 50 year sentence from Judge A. R. Cotton, for a morals charge.

Joseph DeGeller Succeeds Joaquin As Ward Manager

With Thomas Joaquin being transferred to the Walla Walla, Wash., branch of Montgomery Ward & Company, Joseph DeGeller, former manager at Eureka, took charge of the firm's local unit Monday.

Joaquin, who lived at 114 Hudson street, had been manager here for two years. He belonged to the Lions Club and was vice president of the Redwood City Chamber of Commerce.

Accompanied by his wife and eight-month-old baby son, Thomas Stephen, Joaquin motored to Washington over the week-end.

DeGeller is married and has an 11-year-old son.

TO JOIN NATION HI-Y

Decision to join the National Hi-Y Fellowship was reached by members of the Sequoia high school Hi-Y at a meeting this week at the school. The Sequoia club will be the second Redwood City group to join the national fellowship, the Hi-Y having been the first to do so.

More than 22,000 narcotic users were cured of the drug habit last year in Nanking.

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle Get Creomulsion right now. (Adv.)

WOODY TASTE TO BE TAKEN FROM WATER

Growth of Harmless Germ Noted in City Pipe System

Isolated recurrences of a harmless iron bacteria that discolors the water supply may force Redwood City to flush out its mains for the third time, Acting City Manager C. L. Dimmitt said here following receipt of complaints that the local water had a "woody" taste.

Not since the first of the year, when Redwood City consumers began receiving two parts of Hetch Hetchy water to one part well-water and the local mains were flushed out twice, had complaints come in, Dimmitt said.

He pointed out that the difficulty was due to seepage in the Coast Range tunnels of the Hetch Hetchy water system, and was being corrected with construction of new ammonia and clorine plants by San Francisco water engineers.

However, the peculiar growth, known as crenothrix, has also lodged itself in the Redwood City system, causing the necessity for another "flush-out," Dimmitt reported.

Crenothrix "is a slimy gelatinous growth, light brown in color, covering the entire surface of the pipe to a depth of ⅛ to ¼ inch," according to a report of G. E. Arnold, San Francisco water official.

It is completely harmless, but "affects the carrying capacity of the lines," and "water left standing develops an objectionable taste of a strong medicinal or woody nature," the report said.

Chlorine and ammonia treatment have been found entirely effective in ridding it from the system.

Izaak Walton's "The Compleat Angler," the most famous book ever written on fishing, was published in 1653.
